1. Purpose

The purpose of our training center is to contribute to building the skillsets and knowledge required to use our Ekara solutions optimally.

To carry out our mission, we have drawn up a set of training modules that match our customers' expectations and needs

These training modules can be followed up by a certification cycle which validates participants' expertise in the use of our tools.

2. DISCOVERY training

DISCOVERY (TRA-DISCO)	
How long*	2h
How many participants	4 participants minimum; 20 participants maximum
Format	Remote
How often	Every Friday

Web foundations (CERT-WEB1)

Web foundations (CERT-WEB1)	
Format	Online quiz and practical case
How often	On request
Prerequisite	Prior completion of TRA-WEB1 training
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

Business App foundations (CERT-BAPP1)

Business App foundations (CERT-BAPP1)	
Format	Online quiz and practical case
How often	On request
Prerequisite	Prior completion of TRA-BAPP1 training
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

* indicative only, may vary according to the number of participants and their level

** subject to change, according to the product

Mobile foundations (CERT-MOB1)

Fondations Mobile (CERT-MOB1)	
Format	Online quiz and practical case
How often	On request
Prerequisites	Prior completion of TRA-MOB1
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

API foundations (CERT-API)

Fondations API (CERT-API)	
Format	Online quiz and practical case
How often	On request
Prerequisites	Prior completion of TRA-API
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

* indicative only, may vary according to the number of participants and their level

** subject to change, according to the product

4.2 Advanced certifications

Advanced Web (CERT-WEB2)

Advanced Web (CERT-WEB2)	
Format	Online quiz and practical case
How often	On request
Prerequisites	<ul style="list-style-type: none"> • Prior completion of TRA-WEB1, TRA-WEB2 or TRA-WEB3 training • Successful completion of CERT-WEB1 or CERT-WEB2 or CERT-WEB3
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

Advanced Business App (CERT-BAPP2)

Advanced Business App (CERT-BAPP 2)	
Format	Online quiz and practical case
How often	On request
Prerequisites	<ul style="list-style-type: none"> • Prior completion of TRA-BAPP1 & TRA-BAPP2 training • Successful completion of CERT-BAPP1
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

* indicative only, may vary according to the number of participants and their level

** subject to change, according to the product

Advanced Mobile (CERT-MOB2)

Advanced Mobile App (CERT-MOB2)	
Format	Online quiz and practical case
How often	On request
Prerequisites	<ul style="list-style-type: none"> Prior completion of TRA-MOB1 & TRA-MOB2 training Successful completion of CERT-MOB1
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

4.3 Expert certification

Expert (CERT-EKARA)

Expert (CEA01)	
Format	Online quiz and practical case
How often	On request
Prerequisites	<ul style="list-style-type: none"> Prior completion of TRA-WEB1, TRA-WEB2, TRA-WEB3, TRA-MOB1, TRA-MOB2, TRA-BAPP1, TRA-BAPP2 & TRA-API1 training Successful completion of CERT-WEB2, CERT-BAPP2, CERT-MOB2, CERT-API
Subjects covered	Creation of a user journey without help from the instructor
Availability	Available

* indicative only, may vary according to the number of participants and their level

** subject to change, according to the product
